Congratulations

No day is more memorable than your wedding day and we at The Charlecote Pheasant Hotel pride ourselves on our high service standards, so why not visit us at a time to suit yourselves, so we may tailor our services to your individual requirements.

Organising such a large event can be a minefield of questions and concerns. With our experience in arranging ethnic wedding receptions, we are confident to guide you through these decisions, offering not just answers to your questions but plenty of ideas that will make your day memorable.

For your personalised quote and to arrange a show round of the hotel, please contact one of the team on: 01789 335960 or email: weddingscp@charlecotepheasanthotel.co.uk

Booking Procedure

It is advisable to contact one of our Wedding Coordinators who will be pleased to help you book the right function room, and advise you on anything you need to know about your special day.

Once you have decided upon a date, a provisional booking can be made.

A provisional booking can be held for 2 weeks without any obligation. This allows you time to arrange the dates with any other suppliers you may be using.

Once you have decided to confirm your wedding reception here at The Charelcote Pheasant Hotel, a £500 deposit is required, along with a signed contract which will be issued by the hotel.

In the event of a cancellation, we regret that all deposits paid are non-refundable and cancellation charges will apply as per our signed event agreement in conjunction with our terms and conditions.

Final payment will then be due 4 weeks prior to the event date.
